## INTRODUCTION

### PARTS LIST & EXPLODED VIEWS

The parts list and the exploded views for the Serpent 960 are separate from the Instruction Manual. The exploded views show all the parts for a particular assembly step, together with the Serpent part number. In the parts list at the back of this Reference Guide you will find the part number and the name of the part. In addition to all the Serpent 960 parts used in this car kit, you will also find lists of option parts for the Serpent 960, as well as a general items (such as fasteners) and promotional items.

Serpent will regularly update the Serpent 960 parts list and will make it available on the Serpent 960 product page at Serpent.com. Be sure to check the Serpent 960 product page at Serpent.com frequently. All information about the 960 can be found here: publications, news items, set-ups, FAQ's, images, downloads, videos, and interesting forums in several languages. Serpent.com provides you with an enormous amount of interesting and often valuable information about the Serpent 960; information is provided by Serpent, its factory and team drivers, and experienced

racers from around the world. Often this information is even available in several languages! If you're not a member of Serpent.com yet, sign up today and experience why Serpent excels not only on the track, but also on the Internet.
