### REMARKS

This is my Qualifying set-up. The only change the shore of tires for final. Front tires were 42F-left, 37F-right, 45R-left and 42R-right (60mm-F, 62mm-R). I mixed 100 and 200 Xceed diff oil to get about 150. Track was high bite with a couple of bumps. That is why the front droop is -2.

### TRACK

Chaplin, CT.
