A detailed line drawing of a vehicle chassis from a top-down perspective. The diagram illustrates the layout of the engine, transmission, and various components. Two vertical double-headed arrows on the left and right sides are labeled 'mm' and 'TRACK WIDTH'. Two boxes at the top are labeled 'WEIGHT grams' with arrows pointing to specific components. Four boxes at the bottom are labeled 'WEIGHT grams' and 'WEIGHT POSITION grams', with arrows pointing to different sections of the chassis. The 'WEIGHT POSITION grams' boxes each contain a row of five circles, representing measurement points.
